Thomson Advisory Board

Several current or former members of *LTN's* editorial advisory board have been tapped to join Thomson Litigation Consulting's newly created 18-member Corporate and Law Firm Advisory Board. **George Rudoy** (left), director of global practice technology and information services at Shearman & Sterling, chairs the law firm board; **Deena Coffman**, discovery director of Johnson & Johnson, heads the corporate board. Others include **Michelle Mahoney**, of Mallesons Stephen Jaques; **Browning Marean**, of DLA Piper US; and **Thomas Baldwin**, of Reed Smith. The purpose of the board is to develop technology standards and create a framework for discovery life cycle management, says the company (www.thomsonlitigationconsulting.com), which is based in Washington, D.C.

Robert Zuckman has been named vice president of North American sales for Billback Systems. Previously, he was manager of the eastern U.S. sales team for LexisNexis. Ohio's Billback Systems (www.billback.com) develops technology to help legal professionals track and manage client expenses.

Océ Business Services Inc. has named **Greg Duke** vice president of sales for the company's Records, Compliance and Legal Solutions division. Most recently, Duke was vice president of sales at Fios Inc. Océ (www.obs-innovation.com), which sells print and document management products and services, is headquartered in New York.

Todd Haley is vice president of e-discovery at Epic. He is a member of the Project Management Institute. Epic, based in Washington, D.C., sells litigation management services (www.epiclds.com).

Electronic Evidence Discovery Inc. has hired **Tim Wassman** as senior vice president of field operations. Most recently, he was vice president of the North American business unit for SPSS, a data and text analytics vendor. EED Inc. (www.eedinc.com) helps clients with legal discovery and is based in Washington.

SmartCase Inc. has hired **Margaret Pauken** as director of client services. It offers a web-based platform for managing medical information. SmartCase Inc. (www.smartcase.com) is based in Ohio.

Capital Legal Solutions has named **Greg Hudson** as its senior account executive for national and international clients. He previously served as general manager for Encore Legal Solutions' Northern Virginia business unit. CLS (www.capitallegals.com) provides electronic discovery services, based in Virginia.

New York's Planet Data Solutions Inc. has hired **Anthony Dobson** as vice president of client services. He comes from Milbank, Tweed, Hadley & McCloy, where he served as national director of litigation technology. PDS provides legal support and data management services for law firms (www.planetdatasolutions.com).

Illinois-based Project Leadership Associates has hired **Eyal Iffergan** to lead its Intellectual Property Management Solution Group. Prior to joining Project Leadership Associates, Iffergan was a principal at Baker Robbins & Company. Project Leadership Associates (www.projectleadership.net) is headquartered in Illinois.
