

Project Leadership Associates Earns Adaptive Planning's Top Partner Award

CHICAGO, IL—July 11, 2011—Project Leadership Associates was recognized with a Top Partner Award at Adaptive Planning's annual user group meeting in Chicago. This marks the second consecutive year that PLA has earned this award, which recognizes outstanding performance by consulting firms that partner with Adaptive Planning. As a certified consulting partner, PLA assists clients with the implementation of Adaptive Planning's award-winning Performance Management solution.

"PLA is very proud to be recognized as a Top Adaptive Planning Partner for the second consecutive year", said Steve Taeyaerts, Executive Vice President of PLA's Business Intelligence Practice Group. "Our clients continue to benefit from the Adaptive Planning solution, which enables them to improve their planning and budgeting capabilities very quickly and economically. The people at Adaptive Planning are top-notch and we look forward to working with them for many years to come."

"We are pleased to recognize Project Leadership Associates as a top Adaptive Planning partner," said Greg Schneider, Vice President of Marketing, Adaptive Planning. "Our worldwide partner ecosystem is playing an important role in our company's rapid growth, and Project Leadership Associates really stands out for their commitment to the partnership and successful joint customers."
